Kind of work

Assistant/Researcher - We offer the opportunity to gain experience in developing business plans, product positioning in the market place, overseeing market research, monitoring competitive activity and identifying customer needs. This is also a great chance to embark on an internship in the friendly and dynamic work environment of an international software house with the highest working standards, in a modern office located in Krakow. In addition to salary and friendly working atmosphere we give our trainees the possibility of unrestricted use of the recreational complex and the ability to continue working after a period of internship.
